**Attention: Ms Natalie O'Halloran**

Dear Ms O'Halloran

**RE: COMPLAINT BY SYMN WATERS**

I refer to your letter of 25 July 2017 and the correspondence from Mr Waters dated 19 July 2017.

Thank you for the opportunity to provide further comments.

Mr Waters' letter of 19 July 2017 in my view does not take the question of whether there has been unethical conduct on my part any further.

The correspondence the cause of this complaint was created in proceedings to which Mr Waters was not a party in the course of litigation, however it appears from paragraph 3 of Mr Waters' letter that Ms Beckett has waived privilege and provided this to Mr Waters.

Some of the documents provided by Mr Waters with his most recent letter support the description of his conduct outlined in my earlier correspondence.

I do not believe the complaint discloses unethical conduct on my part.

Please do not hesitate to contact me should you require anything further, otherwise I await advice of the outcome of the investigation.

Yours faithfully
